BACKGROUND

Bob has leased shopping centers for individuals, private partnerships and institutional clients since 1978 and has led the Retail Leasing Team from 1985 to present. His efforts and leadership have helped increase the company's shopping center portfolio to over 4,500,000 square feet of retail space. Bob pioneered the team approach at Harvey Lindsay, which has produced superior occupancy percentages for clients, some of whom Harvey Lindsay Commercial Real Estate has served for more than four decades. Bob earned his B.A. from Duke University, an MBA from Old Dominion University and is a longtime member of the International Council of Shopping Centers (ICSC).
