BACKGROUND

Jean joined Harvey Lindsay Commercial Real Estate in August 2021. Jean has 18 years of experience in residential property management where she focused on resident services and lowering delinquencies. She excels at improving under performing properties and turning them into profit-generating machines. She was responsible for the coordination and supervision of capital improvement projects. Jean is known for providing excellent customer service and maintaining positive tenant relationships. She graduated from The Pennsylvania State University in 2000 with a Bachelor of Science degree in administration of justice.

SERVICES

Jean directs the management and operations of commercial real estate covering retail, office, and industrial properties. She provides owner reports, financial reporting, rent collection, maintenance and is happy to be the direct contact for all her tenants needs.
