

BOBBY BEASLEY, III, SIOR

Vice President
Industrial Leasing and Sales

(757) 640-8241

BobbyBeasley3@HarveyLindsay.com

SPECIALTY AND EXPERIENCE

Bobby joined Harvey Lindsay in 2010 as a property manager and later transitioned to brokerage to focus on leasing and sales. Since that transition, he has focused on industrial, flex, and manufacturing properties serving his clients with leasing, sales, buyer/tenant representation, and consulting services. Along with his industrial focus, Bobby has enjoyed identifying development opportunities for his clients by canvassing potential land acquisitions throughout Hampton Roads and Northeast North Carolina.

Bobby develops each strategy based upon his clients' expectations and will work to provide ample market knowledge to help his clients support their decision. His long time connection to this market provides relationships necessary to work through challenges and identify opportunities.
