BACKGROUND

Baylee is a seasoned professional with extensive experience in real estate sales, management, and investment. She began her career with William E. Wood in 2004. She became the Principal Broker of Real Property Management VA Peninsula in 2012, a company specializing in residential sales and investment property management. As an active real estate investor and broker, Baylee collaborates closely with other investors on residential and commercial real estate acquisitions, holding, exchange, and sales.

Fluent in Chinese, Baylee has a degree in Real Estate Finance & Managerial Economics from Jiao Tong University in China. Dedicated to her clients, she remains committed to staying well-informed of market trends to provide exceptional service.
